## PHARMA PRO&PACK 2016

4th PHARMA Pro&Pack Expo 2016, an international exhibition on TOTAL pharma manufacturing technologies and concurrent exhibition, PharmaLAB Expo 2016 concluded successfully at Mumbai. Held during April 27 to 29, 2016 and jointly organized by the Indian Pharma Machinery Manufacturers' Association (IPMMA) and GPE EXPO PVT. LTD. (GPE), the overall event remained highly resourceful to provide the business opportunities to every single exhibiting company for domestic as well especially international markets.

530+ hosted international buyers and 18,600 domestic pharma trade visitors took the visit of PHARMA Pro&Pack Expo 2016, PharmaLAB Expo 2016 and IPHEX 16 exhibitions comprising of 430+ exhibiting companies. The business (domestic and exports) of INR 1,200+ for pharma machinery & engineering segment is estimated from 3-days PHARMA Pro&Pack Expo 2016 Exhibition.

## FELICITATION PROGRAM

**On April 28, 2016; a special program was organized by IPMMA to felicitate the 7 pharma machinery manufacturers those who have completed more than 50 years in services to the pharmaceutical industry.**

- Gansons Ltd
- IMA PG
- Pharmalab India Pvt. Ltd
- S. B. Panchal & Co
- Standard Engineers
- Tapasya Engineering Works Pvt. Ltd
- The Bombay Engineering Works.

After successful completion of more than 50 years, all these 7 pharma machinery companies are still manufacturing, supplying and exporting latest pharma manufacturing technologies through their machineries. Such recognition to the Indian pharma machinery manufacturers is playing a vital role as moral boosting catalyst and encouraging every single entrepreneur to progress ahead in offering cutting edge technologies in their pharma machineries.

## NETWORKING, KNOWLEDGE & FUN at Silvassa 2016

Two days' event focusing on Networking with the industry, Knowledge on how to make your business big through operational excellence & Fun get-together with IPMMA member colleagues and team building activities were held on Saturday 23rd July and Sunday 24th July 2016 at Daman Ganga Valley Resort, Silvassa for IPMMA members.

Business owners today are simultaneously experiencing diverse opportunities and competition in the market place. In an open market, the customer has easy choices and the business is caught-up in making critical decisions in a dynamic environment. Capital investment no longer guarantees a competitive advantage and so on, how should one make money from operations?

Speaker discussed interesting growth related thoughts specifically relevant to Business Owners, and aim to seed thoughts from live case experiences.

## MOU with BAPI

Indian Pharmaceutical Machinery Manufacturers' Association (IPMMA) and Bangladesh Association of Pharmaceutical Industries (BAPI) signed a landmark Memorandum of Understanding for mutual friendship, co-operation and increased business relationship between its members on 28th January 2016.

## INTERPHEX 2016, New York, USA

IPMMA and FICCI have been successful in mobilizing participation of larger Indian Pharma machinery and processing companies. This is for the first time that such a large participation from India had represent at Interphex.

## INDIA PACK 2015

IPMMA Tie-up with Indian Industrial of Packaging for the India Pack 2015 held at NESCO, Goregaon Mumbai.

**Tie-ups** with various international & national associations/organizers like Messe Dusseldorf, Messe Koeln, VDMA, Reed exhibitions, FICCI & CII etc. to make better commercial offers/packages for trade show participation by our IPMMA members.

## SEMINAR on “LOOK BEYOND THE BOX”! 2016

This Seminar was organized by IPMMI and supported by IPMMA on 3rd May 2016 at Chembur Gymkhana, Mumbai. The Key Speaker were Mr. Suprotik Das – Managing Director-Nordson India, Mr. Kim Tagesen- Packaging Head – IMEA – Henkel , Mr. Manish Patel- Managing Director-The South India Paper Mills Ltd & Mr. P Sajith – Welbound Worldwide. The one-day seminar was on Corrugated boxes & cases which still remains most preferred medium for Tertiary packaging medium globally. However, end of the line does not end with the cost of shipper carton: so it is time to LOOK BEYOND THE BOX!

## SEMINAR on “LIFE SCIENCES SYMPOSIUM 2016
